Mom is pregnant. Her belly is
like a big balloon.
Faye's baby brother is in there!

What's a good name
for a baby brother?

7 Mamma Mia

A woman's blood can increase by as much as 50% when she's pregnant. As a result, her heart will get bigger, too. It's the same for a mother's womb. It can grow up to 500 times bigger with a baby inside!
