Puss is a stray cat.
He wants a home.
A rich man walks by.
"Please take me home,"
says Puss.
"I am a smart cat.
I can catch rats.
I can sing and
I can dance.
Please give me a chance."
"No," says the rich man.

"Please take me home," says Puss.
"I am a smart cat.
I can catch rats.
I can sing and I can dance.
You look very unhappy.
I can make you happy."
